Annual Conference & Trade Show

Prospectus

Connect with 4,650 HR & Business Professionals at Canada's Largest HR Event!

Now in its 77th year, HRP A's 2019 Annual Conference & Trade Show is Canada's largest HR event and the world's second largest Human Resources conference. Join us as we inspire thousands of HR managers and business professionals this January 30–February 1, 2019 at the Metro Toronto Convention Centre in Toronto.

Our renowned three-day event features world-class keynotes, over 160 informative sessions on cutting-edge HR issues, and more than 235 trade show exhibitors. It's the most valuable business development opportunity in Canada to engage with thousands of HR professionals who are interested in learning about the latest HR products and brands.

- Collect high quality sales leads and expand your professional network
- Showcase your organization, including company background and contact information on HRPAs conference website and mobile application (available all year)
- Company name & booth location listed in our onsite signage and conference program
- Gain timely insights about the future direction of the industry while keeping an eye on the competition

About HRPAs

The Human Resources Professionals Association (HRPA) is Canada's HR thought leader and the largest HR Association in the country. In Ontario, HRPAs regulates the HR profession and issues three designations – the Certified Human Resources Professional (CHRP), Certified Human Resources Leader (CHRL), and the Certified Human Resources Executive (CHRE).

These designations are the national standard for excellence in human resources management.

Across the province, HRPAs has over...

HRPA Member Demographics

HRPA's members are well-educated professionals from a broad cross-section of sectors. Largely female, ranging in age from early 20s to late 50s, HRPA members are a representative cross-section of the HR community from students to C-level decision-makers. The following demographic data was drawn from the results of the 2015 member survey in which more than 2,000 members participated.
